

ENVIRONMENTAL POLICY STATEMENT

TRACTION Charger Company Ltd as a professional and environmentally conscious organization, acknowledge the impact that our operations may potentially have on the environment and take all reasonable measures to minimise those impacts.

These include reducing waste, preventing pollution and promoting environmental awareness with our employees and suppliers.

We will fully comply with the duties placed upon us by legislation and as a matter of best practice, with any approved guidance issued by the Environment Agency.

As part of our continuing commitment to maintaining the highest levels of environmental management, we are reviewing our current actions using BS.EN.ISO 14001.2004 as our guideline.
